### DID YOU KNOW?!

Jellyfish have been around for more than 650 million years. This means that they out date both dinosaurs and sharks!

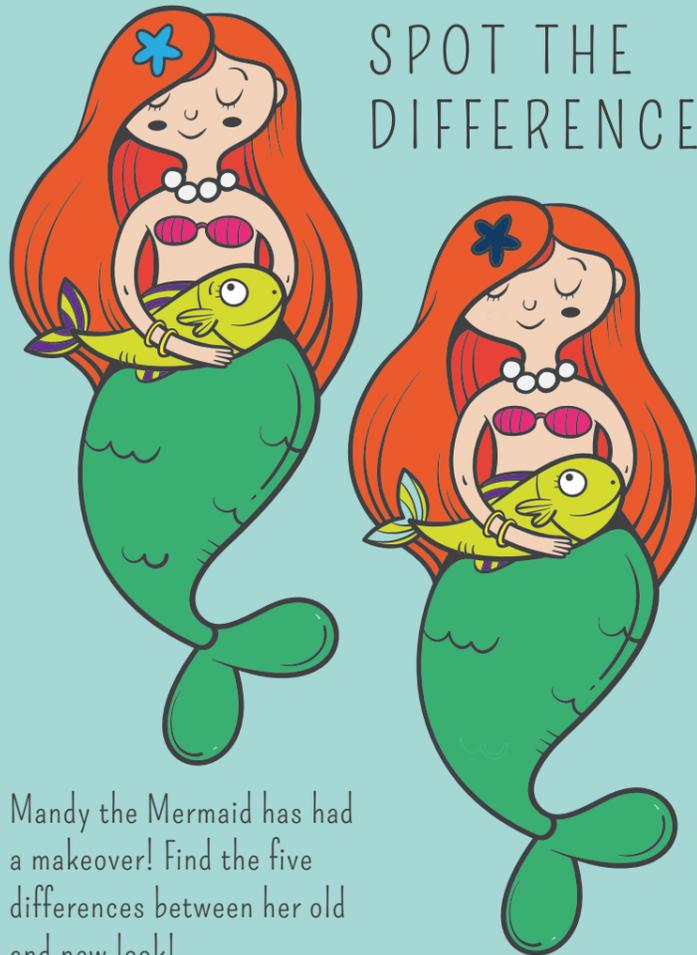

### CORAL MAZE

Help! Little Sam has got lost amongst the coral. Help Sally rescue him and reunite him with his friends.

### SPOT THE DIFFERENCE

Mandy the Mermaid has had a makeover! Find the five differences between her old and new look!

### ANSWERS:

- SPOT THE DIFFERENCE:
- 1) Starfish in hair a different colour.
  - 2) Missing spot on cheek.
  - 3) Different tail colour on the fish.
  - 4) Missing eyebrow on fish.
  - 5) Missing scales on mermaid tail.
